---

Dear Sir,

Rishi Computers has occupied a vital place among the Software Developers. It is the result of our determination and perseverance. 'Rishi' established in 2001 has become synonym for 'reliability' and 'durability'. We grateful to our well-wishers who helped timely to disseminate 'Rishi' to far Corners.

The Packages designed by us, we assure, make you get relaxed physically and mentally. You can do your work not in the field but on the desktops. Our aim is to add a feather to the cap of reputation of 'Rishi' in providing prompt services to the customers.

Before conclusion, we request you to extend your co-operation in the task of serving you and making you feel comfortable.

### **AUTOSOFT *plus***

We are proud and in jubilation to announce that this package stands as difficult task to prove what sort of efficiency that Rishi has possessed. It is meant to set users mind free, make them shake the mouse and see what you long for on the screen with a click.

**AUTOSOFT *plus*** developed taking into consideration that needs and wishes of the two wheeler vehicles such as : Purchase, Service Report, Water Wash, besides the said above, Final Accounts, Service Reminders, Pay roll etc., **Barcode reading facility** for sale of spares, service reminders by **SMS** and **Letter** facility, formats to be sent to company like **Flash Report, Free Service Invoice, Warranty Claim** such as included. Users can obtain more than **300 above reports** related to daily, monthly and year wise.

***At present, AUTOSOFT plus is being used by 1200+ members in south india .***

**AUTOSOFT *plus*** discloses the purchase and sales of vehicles and spare parts, complete maintenance of work shop. Full-fledged financial accounts should be watched on the Screen.

**AUTOSOFT *plus*** contains Job Card, with History Card, with frame Number which enables you enter all the details related to the Vehicle possessor.

History card reveals the arrival of the customer, complaint made by him and action taken by the Service center. Spare parts changed, the date on which the vehicle possessor gets the service, the next due date. In fact it is a reminder to bring your service at door step of your esteemed customer.

If vehicle is sold, history card of the owner of the said vehicle is automatically created, related to cash sales, or finance sales

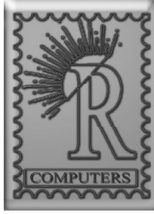

It is useful to have a perusal considering warranty, Service and Parts performance flash report, Free service Coupons and the Passport Details.

At the time of entering Job card, it itself uncovers whether the owner possesses the passport or not.

we request you to shower Your kindness offering our Autosoft to help you execute your business better and gain significant supervision over your business.
